

Application Data Sheet – Pilot Unit

FAX this form to 630-577-0401 or email it to sales@RHE-America.com

General

Date: _____ Address: _____
Company: _____
Division: _____
Person: _____ Telephone: _____
Title: _____ Fax: _____
Email: _____
Project Location: _____

Proposal Requested

Ballpark Budget Firm Date needed: _____
Scope of work: Engineering/Equipment supply Turnkey Installation
Project Status: Feasibility Study Not yet funded Funded
How did you hear about RHE America? _____

Manufacturing Information

	Type of resins manufactured	Use for resins	Production rate initial	Production rate final	License required or in house recipe
1.	_____	_____	_____	_____	_____
2.	_____	_____	_____	_____	_____
3.	_____	_____	_____	_____	_____
4.	_____	_____	_____	_____	_____
5.	_____	_____	_____	_____	_____
6.	_____	_____	_____	_____	_____

Reactor Size _____ gal. or _____ lbs/batch
Expected batch time _____
Number of working days per year _____ Number of shifts per day _____
Number of raw materials _____
Reactor temperature _____ Reactor pressure _____ Reactor vacuum? _____

Site Information

Project Site: Existing facility _____ Grassroots facility _____
Is an existing building available? _____
Is raw material storage available? _____
if no, should RHE America include storage? _____ how many days? _____
Is product storage available? _____
if no, should RHE America include storage? _____ how many days? _____

Available Utilities

thermal oil	_____	temperature	_____
steam	_____	pressure	_____
hot water	_____	temperature/pressure	____ / ____
cooling water	_____	temperature/pressure	____ / ____
chilled water	_____	temperature/pressure	____ / ____
instrument air	_____	pressure/dew point	____ / ____
plant air	_____	pressure	_____
